The PNC MUST Scholarships are awarded to up to two full-time and up to three half-time minority and/or urban students who demonstrate an active implementation of their faith in their church and community. Those who apply must have completed the application process and have been accepted into a program at RPTS. Applicants are encouraged to apply as early as possible due to applications being processed on a rolling basis. Total awarded amounts may range as high as \$9,018 for full-time students.

### **Applicants must submit the following:**

1. A letter from your pastor describing your service in the local congregation and/or outreach in your community.
2. Applicants must describe their involvement in ministries and other activities in which they have demonstrated leadership; explain how this scholarship will begin or accelerate their studies to reach the goal of graduation; and consider the impact they expect their growing studies will have on their current and post-education ministry. Essay submissions must be less than 3 pages in length.

In addition to the above requirements, recipients of the awards will be required to participate in weekly institutional seminary work in proportion to the number of classes they are taking.
