**Academic News**

**Internship Reminder:** It is not too early to begin thinking about internships for this summer. When Summer registration opens, you need to register for PT14 if this is your first internship for credit or for PT24 if you will be doing a second internship for credit. Contact Vicki Smith to receive a course syllabus explaining the requirements for this class. If you have any questions about internships or are looking for suggestions on where you might serve, speak with Dr. O'Neill.

**Graduating Senior Bios:** If you applied to graduate in May, you were emailed a link to a form to complete for the Commencement program. Complete the information by Jan. 12 and contact Mark Sampson to have your picture taken.

**Internet Issues:** If the Internet is out in Rutherford Hall or the Willson Center, call RPTS Tech Support (between 8 am and 8 pm, Mon.-Sat.) at 412-253-4246, option 2.

**Important Note:** During cold and flu season, if you are not feeling well, have a fever, or the flu, think of others and stay home. A classmate can record the lecture for you. Thanks for looking out for each other.

**Panera Bread Pickup:** Each quarter, 15 volunteers are needed to assist with this ministry one Wednesday morning each (6:15 at RPTS). Sign-up to help pick it up and arrange it each week. [http://s.rpts.edu/BreadHelp](http://s.rpts.edu/BreadHelp).

**With winter weather quickly approaching, how do you know if you have class or not?**  
The answer is easy: RPTS is almost always open. Use your best judgment on driving conditions. RPTS only posts closures, so if you don’t see a closing announcement, we are open. Check your email, the “News/Events” section on the Seminary website, listen/watch KDKA radio/TV, or check
their website at www.kdka.com, for official RPTS closing information.

Join faculty, students, and staff for a time of prayer every Tuesday at 1 pm in the 2nd floor classroom. All are welcome.

NEWS FROM STUDENTS

After the Bates move out, Nathan Stockwell will move into the apartment in Dr. O’Neill’s house. If a few can help, we will load Nathan’s items to take them back to the apartment.
