THE BATTLE FOR THE BIBLICAL FAMILY

2ND EDITION

by George C. Scipione

The family is the seedbed where we grow the future of the church, the nation, and the world. In this most helpful and stimulating book, Dr. Scipione gives us a concise manual to understand the Creator's plan for family life and to live out that plan by the Redeemer's grace.

JOEL R. BEEKE, PRESIDENT, PURITAN REFORMED THEOLOGICAL SEMINARY

Definitions of gender, marriage, and family are evolving almost daily. Surveys of younger generations show much greater acceptance of unbiblical norms. Part of the problem is that relatively few people know and understand what the Bible says, from cover to cover, about these foundational aspects of society. Read what the Bible has to say about the family from this biblical counseling expert.

Do not be afraid of them;
remember the Lord
who is great and awesome,
and fight for your brothers,
your sons, your daughters,
your wives and your houses....

Those who built on the wall,
and those who carried burdens,
loaded themselves so that with one hand
they worked at construction,
and with the other held a weapon.

Nehemiah 4:14, 17
